**Re: SAC FUND II 0406, LLC**  
**Docket No.; 18-cv-4875 (JBW) (RER)**

Dear Magistrate Judge Reyes,

We are counsel to GCRE Advisors in the above referenced matter. I am in receipt of the letter dated September 25, 2018, filed with the Clerk of the Court and addressed to Your Honor from Edward J. Troy, attorney for the defendant Henry Moya. I write the Court to address Mr. Troy's request to you for an extension of time to answer.

On September 25, 2018, I received a phone call from an unidentified person, asking when Moya's time to answer the complaint would expire. I advised him it was September 25, 2018. He then requested a week or two extension of time to answer. When I asked if he was Moya's attorney he told me he was not. I advised him to have Mr. Moya's attorney contact me and that I would ask my client if I could consent to the extension. I never received a follow up call or email from Mr. Troy, seeking an extension of time to answer.

My client does not oppose Mr. Moya's request for a two week extension of time to answer. His answer would be due on or before Oct 9, 2018.

Thank you.

Respectfully Submitted,
